The Star 1940

Semi-Centennial Edition

Foreword

The fundamental purpose of any annual is to present a summary of the year's activities and to help preserve for the student memories of the school year. Such is the purpose of the 1940 STAR.

However, we must realize that nothing is perfect. Perhaps you may be critical of the 1940 STAR, but we ask you to remember that our work has been done in consideration of your best interests and with kindest thoughts.

If we have not fallen short of our aim—to give the student body a creditable yearbook—then we cannot consider our efforts in vain.

Alma Mater Henderson

Breathe, stalwart pine trees, memories of living shadows;
Whisper, acorn bearers, from thy living fountain;
Beauty and friendship, eternal as the holly,
Into all thy children, Alma Mater, Henderson!

Spirit of strong men, wrought through storm and silence,
Into communion eternal as the heavens;
Romance and tragedy, in vict'ry and in losing,
Thou turnest all to gain, Alma Mater, Henderson!

From childhood's weakness, thou with love of mother;
Throughout youth's daring with the love of friends;
Into full manhood for church and state and nation
Thou load'st up upward, Alma Mater, Henderson!

As through the ages, joy and living friendship
Mix crucifixion's red with gray of truth;
Out of gray ashes raise up men and women
New born, strong, adoring, Alma Mater, Henderson!

HENDERSON IN 1910

HENDERSON 1890-1940

The year 1940 marks the semi-centennial year of Henderson, beginning in 1890 with 110 students, a minimum of teaching facilities, and limited financial resources. "The School With a Heart," as Henderson has been called, has experienced periods of hardships and the undermining work of its enemies; yet it remains as a first-class college for teachers, continuing to serve Arkansas in the field of teacher training. The school has been a teacher's college for only the past decade. But let us look back over Henderson's past, over its early years as a struggling denominational school, its post-war zenith of power as a Christian institution, and finally its decade of service as a teacher's college.

As early as 1886 the citizens of Arkadelphia sensed the need of a co-educational college in their city. This matter was carried before the Little Rock Conference of the Methodist Church and was accepted but was not ratified until 1889. About the time the building was to be erected, the Methodists decided to move Hendrix College from Altus, Arkansas, to another location. Immediately Arkadelphia entered the struggle to bring the school to this city. However, it was decided to move Hendrix to Conway; and Arkadelphia returned to its old plan. As a result, in September, 1890, Arkadelphia Methodist College opened with 110 students.

The first ten years of the school's existence were years of difficulty. During these years the college faced financial difficulties and its lack of endowment forced

it to call repeatedly on its friends for financial aid. In general the gay nineties proved a trying era for the Arkadelphia Methodist College.

During the next twenty years the school experienced many changes. In the early 1900's the enrollment began to increase rapidly and the school took its place as one of the leading institutions of Arkansas. In 1904 the name of the school was changed to Henderson, in honor of Captain C. C. Henderson, who had helped the school through a financial crisis. In 1911 the name was again changed, this time to Henderson-Brown, in honor of Mr. W. W. Brown, also a friend of the college. In February, 1914, the administration building was destroyed by fire. Through the financial assistance of friends of Henderson, work on the new building was soon begun. In only a few months, despite financial difficulties, the Administration Building, which now stands on the campus, was completed.

In the post-war period Henderson reached its zenith as a church school. By this time the name Reddie was well-known by all football fans throughout the state; for it was during the 1920's that "Smiling Jimmy" Haygood and Bo Rowland produced teams never before equaled by any college in the state.

During this time the Methodists of the state were supporting three colleges: Henderson-Brown, Hendrix, and Galloway. In October, 1928, the executive board of the three colleges, acting upon the report of the inspector of the North Central Association, met in Little Rock and voted to consolidate Henderson-Brown and Hendrix; and, on November 15, 1928, the two schools were merged. It was decided to locate the consolidated school at Conway. Upon the request of the citizens of Arkadelphia, the property was deeded back to the city. The city of Arkadelphia then offered the plant to the State of Arkansas to establish a teachers college. This offer was accepted by the legislature and in 1929 Henderson State Teachers College was opened.

Since 1929 the school plant has grown from four to seventeen buildings located on a beautiful campus of more than fifty acres. The enrollment has increased from two hundred to approximately one thousand students including summer school. In 1931 the school was admitted to the American Association of Teachers Colleges, and in 1934 to the North Central Association.

Thus Henderson's first fifty years have been an era of advancement. The school has developed from a relatively insignificant little college of 1890 to a leading teachers college of 1940 whose influence is felt in every section of the state. What the next fifty years will bring can only be known in Henderson's centennial year, but we venture to predict that the Henderson of 1990 will overshadow all other colleges of the state in enrollment, student records, and influence on Arkansas education.

—MERLE BENTON

1890—The Arkadelphia Methodist College, ultimately to become Henderson, opens as a combined academy and college. Above, the first student body of the school. Dr. G. C. Jones was the first president.

1895—Belles of the nineties, co-eds in Henderson, under the watchful eyes of a legion of chaperones, take an outing at the bluff.

1914—Main building burns. The present building was erected a few months later.

1922—The annual turkey day classic between the Henderson Reddies and the Ouachita Tigers. These games between the two rival colleges were first started in the early 1900's. The Reddies evened the score, in 1939, by defeating the Tigers 3-0.

Climax of the semi-centennial celebration at Henderson was the visit of Paul V. McNutt, Social Security Administrator, former High Commissioner to the Philippines, and prominent aspirant for the 1940 Democratic nomination for President. The presence of the handsome, silver-haired Mr. McNutt was the greatest honor ever experienced by Henderson in all of its fifty years of history.

Before going to the crowded Haygood Gymnasium to speak to students and Arkadelphia citizens, Mr. McNutt dined with the students in the college dining hall and later met and talked with friends of Henderson at the home of President Day.

Above the genial Hoosier is pictured after his speech in the Haygood Gymnasium.

STATE TEACHERS

WHOSE PORTALS PASS
THE MOST BEAUTIFUL
SCHOOLMARMS IN
THE WORLD

Capb

UNITED Feature SYNDICATE
220 East Forty-Second Street New York

Dear Wendell:
My first reaction, after gazing long and fondly at the photographs of the
five lovelies you sent me, was that education in Arkansas must be a
delightful experience. Schoolmarms didn't look like that, somehow, back
when I was a kid in New England. If they had, I might have attended school
more diligently, and amounted to something.
All five are very, very lovely. All five are exciting. All five are Queens.
But - shucks - I can't stall forever --- I've got to pick one.
I am sure no man ever had a more difficult assignment.
They're ALL so dargone pickable.
I award the Crown of Queen of Stars to Miss Wilda Reasons.

Dizzily,

Capb

Football 1939

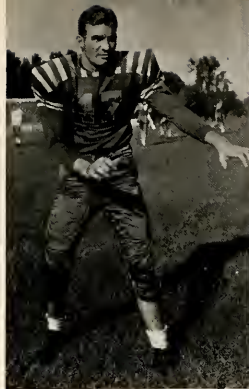

SUMMARY OF THE SEASON

—By Jim Green, Henderson Star Sports Editor

The season of 1939 is really a tale of achievement. At the start, the Reddies won their opening game from Hendrix College, but for three weeks following they came out on the tail-end of the score. Then the wind changed its direction, and the H. S. T. C. lads knocked down the highest-rated grid machine in Arkansas, the Arkansas State Teachers College Bears. A tie with Hendrix in a second game between the two teams was the following week-end's result. East Texas Teachers College, champs of the "Lone Star" State, were next for Coach Murphy's gridmen, and the Reddies went down by a rather high score. Victories over Northeast Oklahoma Junior College and Ouachita College climaxed the season, and the Reddies were ready to sit back, prop up their feet, and wait for the 1940 season to roll around.

Three victories, one tie, and one defeat in state competition; is that bad for a team with a brand-new coaching staff, a team made up of practically all freshmen and sophomores a team which is just reborn after being in the gutter for almost a half-dozen years? While the season may not be termed a 100 percent success by the general public, it surely cannot be termed a failure.

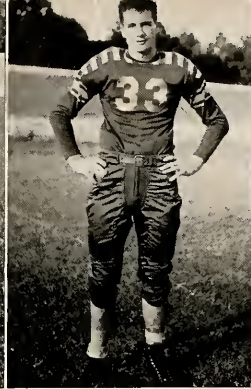

No one on the Reddie squad made the all-state team. Everyone played for his team, not himself. As a result, the only state loss was to Arkansas Tech, 1939 champions of Arkansas, undefeated by any other team. Tabulations within the Arkansas Intercollegiate Athletic Association placed Henderson in a tie for the conference championship with Tech.

REDDIES 13—HENDRIX 6

Governor Bailey attended the opening game and saw the Reddies begin their season with a "bang." A special train brought many Hendrix fans and the Warrior band. It was a pretty show in the first half, but a shower began and a heavy downpour fell throughout the last period. All the scoring was in the first half. Varnado's beautiful 15-yard pass to Bunce, who raced 30 yards, accounted for the first touchdown. Bunce kicked goal. Gragson passed to Huie for the Warrior touchdown. Ramsey took the ball on an end-around for the Reddie score.

REDDIES 0—STEPHEN F. AUSTIN 7

A touchdown by Bean, substitute back, in the fourth quarter gave the Stephen F. Austin Lumberjacks a 7-0 decision over the Reddies in the first road game. The contest took place one cool night at Nacogdoches, Texas. McGraw kicked the Axemen's extra point. S. F. A. penetrated the Reddie five at least a half-dozen times, but brilliant work in the line, combined with a fine aerial defense in the backfield kept the score down. Henderson Stars: Parker, Nall, Varnado, James, Aubrey and Kizzia, in backfield; also the entire line, especially Bunce and Ramsey at ends.

REDDIES 0—ARKANSAS TECH 40

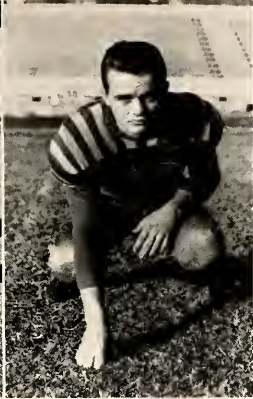

A hard-hitting, coordinating, pass-catching Arkansas Tech football team drubbed the Reddies, 40 to 0, on the following Friday afternoon. No one yet satisfactorily doped out why the Reddies went to pieces. After that week-end, practically ever Reddie fan lost faith in their "old eleven." The scoring column for Tech consisted of Morelock, McGehee, Beeson, and Fowler.

REDDIES 0—L. S. U. N. E. C. 20

Although C. L. ("Nubbin") Houston, fleet little halfback, did most of the ground gaining in this game, his Henderson team wasn't quite strong enough to outpoint the L. S. U. Northeast Center Indians. The score was 20-0 in the Redskins' favor. A large crowd of Reddie rooters accompanied the team down to Monroe on the trip. Touchdown makers for Northeast Center were Starrett and Short. Reddie stars were: Houston, Parker, Varnado, Kizzia, and Maciejewski.

REDDIES 7—STATE TEACHERS 0

The tide has turned!

The "Woodson Wows" have been defeated.

Yes, the biggest football upset in Arkansas this season took place right on Haywood field the next Friday afternoon. On this bright October afternoon, Henderson defeated Arkansas State Teachers College of Conway in the most thrill-packed, breath-taking, history-making game of the 1939 season. The score was 7-0.

The Arkansas Gazette and Democrat sports editors had gone to Philadelphia with the U. of A., just to "see some football." Tilden could have gone to a "delphia" only 75 miles away if football was what they wanted to SEE.

And, I mean, the Reddies won the hard way! The score came at the end of a drive of half the field. Outstanding in the drive was Parker, Phillips and Kizzia. Then Russell Peek made his sensational end-around up to the Bear one-yard line. Kizzia carried the pigskin over on the first play of Quarter 4. Bunce kicked goal.

Bear stars: Heath, Hager, Hooper and Burton.

Reddie stars: Everyone of 'em.

REDDIES 7—HENDRIX 7

It was a 7-7 tie for the second game of the season between these two teams. This one was played early in November at Young Memorial Stadium at Conway. It was a rainy afternoon; very rainy! Hendrix scored in the first quarter. Henderson scored in the second quarter. Aubrey made the Reddie touchdown, while Smith did the same for the Warriors. Chances for an H. S. T. C. victory were ruined when a touchdown play by the Reddies was called back late in the game. Kizzia rammed the line a few times, and then Houston threw to Aubrey who raced over the goal. Officials ruled Aubrey pushed a Hendrix defender, and the Reddies drew a 15-yard penalty.

REDDIES 0—EAST TEXAS 34

Henderson went down fighting here. The score was 34-0 in favor of the college champs of Texas. White and Rogers were responsible for most of the 250 yards gained from scrimmage by the Lions. Henderson gained yardage rather ferely but were unable to cross the pay-line. Two of the five touchdowns by East Texas were on intercepted passes. Reddie stars: Houston and Kizzia.

REDDIES 20—N. E. OKLAHOMA JR. COLLEGE 0

The 200 spectators who braved the rain and attended this game were amply rewarded for their discomforts, and perhaps forgot them as they watched the Reddies, again rampant, defeat the best junior college team in Oklahoma, 20-0. It was a smashing, convincing victory, and it was clear that the future state champions are the Reddies. It's a tough job to pick the Reddie stars for this game—all of them, but it's a cinch that Hardke, Aubrey, Kizzia and James chopped the Oklahoma line to pieces and that Peek, Bunce and Parker drew circles around the Norsemen ends. Several of the Oklahoma boys showed fine talent, and one or two entered Henderson at Mid-term upon graduating from the junior college.

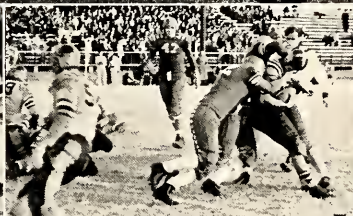

REDDIES 3—OUACHITA 0

Udell Bunce did this! His talented toe sent the little pigsikn right between the up-rights for a successful field goal and a victory over the Tigers. It was a hard-earned victory, too. The Tigers proved stronger when Henderson neared the goal, and the Reddies got within smelling distance quite a few times, but failed to push on through the tough defense. It was clearly recognized that the Henderson lads outplayed the Bengals, staying in their territory 90 percent of the time.

Thus, the season ends. The Reddies have gained the name of "giant killers," and are only waiting to see what 1940 will bring.

THE SQUAD

1. This picture should be wired for sound. 2. Phillips returns Tech punt. 3. Peek gets patched up. 4. Hold that "Lion" Reddies! 5. Again Commerce fails to gain. 6. Another extra point for Bunce. 7. "Kaiser" on a spinner. 8. Peek finishes history-making run against Teachers. 9. Tigers lose ground. 10. Reddies score against "Woodson Wows." 11. Looks like Aubrey's loose for a few yards. 12. Parker rests up at Reddie-Tiger clash.

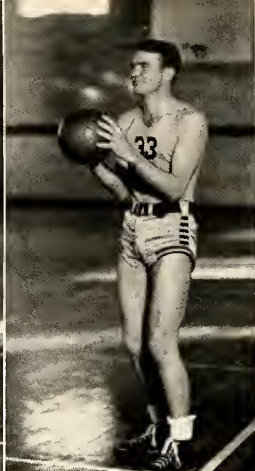

1. A Reddie is loose against the East Texas Lions. 2. Tense excitement on the bench. 3. That's more like it, boys—cheer up. 4. Bunce's toe defeats Ouachita 3-0. 5. Reddie pass completed over Tigers. 6. Ball goes to Kizzia. 7. Two worried Reddies survey the situation. 8. Reddie defense stops Bear drive. 9. Outstanding coach of the year.

As in football, the Reddies began to loom as a strong threat only when the season was nearly over. It was in the latter part of the season that the Henderson quintet began defeating the favorites that had won in earlier matches. Two victories over Ouachita in the Tigers' own gymnasium was one factor that encouraged the Reddies as they entered the State A. A. U. meet at Conway.

Henderson was the Surprise Team No. 1 in the tournament. Advancing on a bye when an independent team failed to appear, the Reddies met and defeated the Hendrix Warriors, 42-21, a team which had won both its regular season games from Henderson. In the semi-final round, it took an extra period for Arkansas State Teachers College to nose out the Reddies 38-36. Henderson had held a lead from the opening whistle, but a Bear goal in the closing minute tied the score, making an extra period necessary. The Bears won the finals also, defeating Arkansas College of Batesville by a good-sized margin.
